Your Name: Xavier Perez "L" Number: 127537 Housing Unit / Cell#: 30

"I have read and understand the grievance procedure as outlined in the inmate handbook" Initials: J.P.

Describe your concern: (You are limited to the front of this form only)

This is Regarding My Inmate Right to  
Be informed of All Rules procedures and schedules of the Facility  
that directly effects me Regarding it overruling in the class I took  
decision to reclassify me As a dangerous/violent Prisoner I was never  
Properly Informed of the Hidden Policy of Level II which is leading to  
me being Held In A.S.U. I was also denied the due process  
of a Impartial Disciplinary Hearing Served with 48 hours Example I didn't  
Receive a Violation Report Notification But have been Held In 23 Hour  
lockdown Since the March 24<sup>th</sup> 2008 - Without Properly Informing  
me and Respect to Due Process Im being deprived. Ever After Inmate  
was given written notice on Violation Reports given with Respect to Disciplinary Procedures  
of the Lake County Jail This Affect My Inmate Right to treated Fairly  
with Respect on Impartiality.

**Resolution Sought: (do not leave blank)** To Be Released From All Negative Published Acts  
of Reclassification that I was unaware of - And that I Be Released From  
A.S.U. 23 Hour Lockdown A Return to Population of L.C.J. And that  
This Report Be Filed with Respect to the Grievance Procedure of L.C.J.
